About The Project

La Mer By Elie Saab is a breathtaking vision on Al Marjan Island, a luxurious development that portrays shoreline living with its unparalleled blend of bespoke and architectural finesse.

The stunning trio of towers, each uniquely named—Isle 1, Isle 2, and Isle 3—embodies the essence of elegance and sophistication. Residents are invited to embrace a lifestyle of beauty and tranquility, complemented by stunning views of the azure Gulf waters.

Architectural Inspiration

TAPERING

LAYERING

PRESENT

The design of LaMer adopted the same concept of providing viewing Terraces for the wonderful view and the quiet outdoor space for all units.

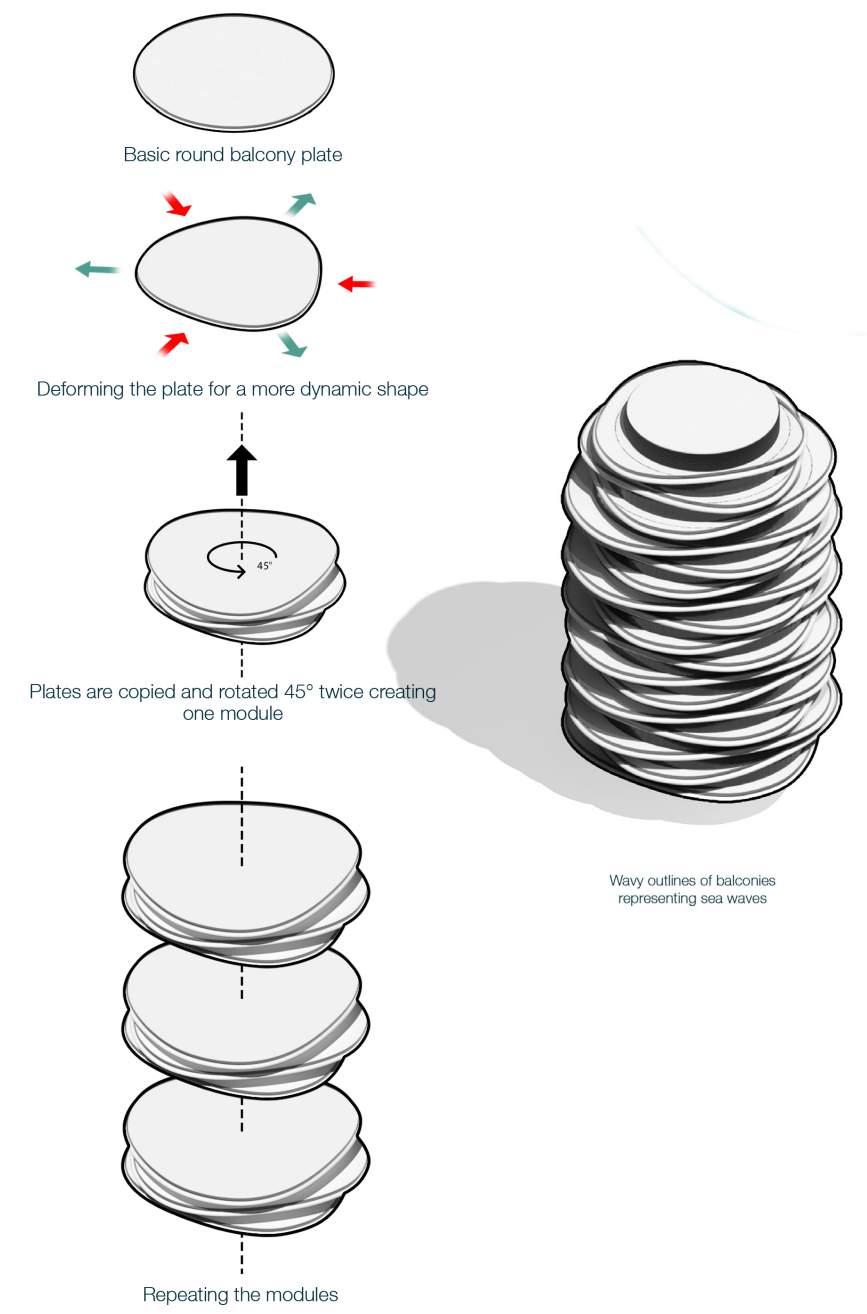

Extended balcony slabs prevent direct sunlight on core and overheating, thus reducing energy consumption on building cooling system.

Modern construction materials and building technologies are used to highlight the idea of layering in the present
